PROFESSIONAL SUMMARY

Results-driven Frontend Developer with expertise in designing, developing, and deploying scalable web applications using modern JavaScript, React.js, and Node.js. Adept at engineering robust RESTful APIs, architecting optimal database schemas in MySQL, and building responsive, mobile-first user interfaces. Passionate about software architecture, optimizing application performance, and delivering high-quality user experiences in agile software development environments.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Responsive UI

Backend: Node.js, Express.js, RESTful APIs, Authentication (Bcrypt)

Database: MySQL, Relational Database Design, Data Modeling

Tools & Workflows: Git, GitHub, VS Code

PROFESSIONAL EXPERIENCE

Frontend Developer Intern

WilTeck | Madurai, Tamil Nadu | *May 2023 - Jun 2023*

- Spearheaded the development of dynamic and responsive user interface components utilizing HTML, CSS, and modern JavaScript, leading to enhanced user engagement.
- Identified, debugged, and resolved complex cross-browser compatibility issues, enhancing overall system reliability and User Experience (UX).
- Collaborated effectively within an agile team framework utilizing Git and GitHub for seamless version control and CI/CD pipelines.
- Assisted in back-end system integration and optimized MySQL database operations for streamlined application performance.

PROJECTS

AAC Alumni Management System

Technologies Used: React.js, Node.js, Express.js, MySQL, REST API | coe.aactni.edu.in/apr26/24MCA514/

- Architected and deployed a comprehensive full-stack platform facilitating user registration, profile management, and network communication for college alumni.
- Engineered secure, scalable RESTful APIs using Node.js and Express.js to interface seamlessly with a normalized MySQL database.
- Implemented state management and dynamic routing using React.js to deliver a seamless Single Page Application (SPA) experience.
- Optimized database queries and backend logic, resulting in highly efficient data retrieval and robust application scalability.

EDUCATION

Master of Computer Applications (MCA)

Arul Anandar College (Autonomous), Madurai Kamaraj University | 2024 - 2026

Cumulative Score: 78% CGPA

Bachelor of Science (B.Sc.) in Computer Science

Meenakshi Ammal Arts and Science College, University of Madras | 2021 - 2024

Cumulative Score: 75% CGPA (Graduated with Distinction)
